Philosophy of Education

- 1. Solo Taxonomy consists of levels? 5**
- 2. Two Or More Aspects are understood in? Multi-structural level**
- 3. SOLO Taxonomy was presented by? Biggs And Collis**
- 4. SOLO Stands for? Structure of the observed Learning outcomes**
- 5. Symposium is a type of? Discussion method**
- 6. Arm strong was the exponent of? Heuristic method**
- 7. Activity involves? Physical and mental action**
- 8. We move from specific to general in? inductive method**

9. Practice is made in? **Drill method**
10. The Socratic Method is known as? **Question Answer method**
11. Duration of lessons in macro lesson plan is? **35 to 45 min**
12. American approach emphasizes? **Learning objectives**
13. Drama or role play is useful for teaching? **History**
14. Which is not the objective of drama/role play? **Do make rehearsals**
15. The Number of students in cooperative Learning Groups is? **3 to 4**
16. Cooperative Learning is an alternative to? **Competitive models**
17. The Students like to spend the most of the time with? **Peers**
18. Peer culture constitutes? **Socialization**
19. CAI stands for? **Computer Assisted instruction**
20. Example of Cognitive domain is? **Describe a topic**
21. The Highest level of cognitive domain is? **Evaluation**
22. Educational objectives have been divided into? **3 domains**
23. Taxonomy of educational objectives was presented by Bloom in? **1956**

24. *The classification of cognitive domain was presented by? Benjamin S. Bloom*
25. *Cognitive Domain has? 6 Subgroups (knowledge, comprehension, application, analysis, synthesis, evaluation)*
26. *The Lowest level of Learning in cognitive domain is? Knowledge*
27. *Knowing/memorizing and recalling is concerned with? Knowledge*
28. *Education is life itself not a preparation for life according to? Progressivism*
29. *According to which philosophy permanence is more real than change? Perennialism*
30. *Perennialism is an educational philosophy of? Old values*
31. *The objective of education comes from? **Philosophy***
32. *The application of philosophy in education may be? **Selection of objectives***
33. *Philosophy and education are two sides of a coin according to? **Ross***
34. *An important question of philosophy is? **What is universe***

35. *To seek truth and reality is the subject of? **Philosophy***
36. *Every system of education is based on? **Ideology of nation***
37. *Word philosophy is derived from? **Phila and Sophia***
38. *Expected life outcomes from education are referred as? **Aims***
39. *Being the science of wisdom philosophy aims at? **Search for reality***
40. *The first head of the Deoband was? **Maulana M. Yaqub Nanautwi***
41. *The Deoband academy was totally? **Non government***
42. *Which is not the element of educational process? **Motivation***
43. *The sum of curricular and co-curricular activities is? **Curriculum***
44. *Pedagogy is concerned with? **Teaching Methods***
45. *To determine the value or worth of anything is? **Evaluation***
46. *The literal meaning of philosophy is? **Love of wisdom***
47. *Axiology in philosophy deals with? **Values***
48. *Epistemology deals with? **Knowledge***
49. *Ontology deals with? **Reality***

50. *Ontology is also called as? Metaphysics*
51. *Metaphysics deals with the nature of? Reality*
52. *Eclecticism means borrowing beliefs from? Different philosophies*
53. *“Everlasting reality” is focused in? Perennialism*
54. *Useful culture and skill is emphasized in? Essentialism*
55. *Life is continuous changing process is the best? Progressivism*
56. *“Reforms are necessary in all walks of life” is focused in?
Reconstructionalism*

57. *Study of great books is at the core of? Perennialism*
58. *Who is not among major exponent of perennialism? John Dewey*
59. *School should be run on democratic lines is held by? Progressivism*
60. *According to which experimental knowledge is real? Progressivism*
61. *Ethic and aesthetics are components of? Axiology*
62. *Progressivist teacher put more emphasis on? Practical education*
63. *The curriculum will be child centered if teacher is? Progressivist*

- 64. Learning should be directly related to the interest of the child according to? Progressivism**
- 65. Essentialists would get their aim of education from? Traditions**
- 66. Essentialist philosophy of education is? Content and teacher centered**
- 67. Instrument used for measuring sample of behavior is? Test**
- 68. Limited to quantitative description of pupil's performance is? Measurement**
- 69. The purpose of the evaluation is to make? Judgment**
- 70. The purpose of evaluation is to make judgment about educational? Quality**
- 71. Evaluation that monitors learning progress is? Formative evaluation**
- 72. A formal and systematic procedure of getting information is? Test**
- 73. The process of obtaining numerical value is? Measurement**
- 74. A sum of questions is? Test**
- 75. The first step in measurement is? Decision of what to measure**

- 76. The purpose of formative evaluation is? Monitoring progress of students**
- 77. To assess achievement at the end of instruction is? Summative Assessment**
- 78. Vast of all in scope? Evaluation**
- 79. The least in scope is? Test**
- 80. Permanent difficulties in learning are investigated in? Diagnostic Assessment**
- 81. Broader in meaning is? Aims**
- 82. Procedures used to determine person abilities are? Maximum performance test**
- 83. In norm referenced test the comparison is between? Individuals**
- 84. In which question marking will be more reliable? Multiple choice question**
- 85. Facility value of less than 0.20 means? Item is difficult**

- 86. Objective type question have advantage over essay type because such questions? Are easy to mark**
- 87. Discrimination value of more than 0.4 means? Item is acceptable**
- 88. Test involving the construction of certain patterns are called? Performance tests**
- 89. In multiple choice items the stem of the items should be? Meaningful**
- 90. Which appropriate verb will you use to make an objective behavioral? To construct**
- 91. Objectives representing the purposes of instruction of a teacher are called? Instructional objectives**
- 92. Running description of active behavior of a student as observed by the teacher is? Anecdotal record**
- 93. A test very popular with class room teacher is? Multiple choices**
- 94. Frequently used tools of summative evaluation are? Test**
- 95. The most commonly used guessing correction formula to predict and control is? $S=R-W/N-1$**

96. *The summative evaluation is? Certifying judgment*
97. *The difference between maximum and minimum values is? Range*
98. *The number of score lying in a class interval is? Frequencies*
99. *A multiple choice question is composed of question referred as? Stem*
100. *In a norm referenced test which item is best? Item difficulty is near 50*
101. *Which question has increasing objectivity of marking? Multiple type questions*
102. *The most widely used format on standardized test in USA is? Multiple type questions*
103. *Which questions are difficult to mark with reliability? Unstructured essay*
104. *Projective techniques are used to measure? Personality*
105. *Test meant for prediction on a certain criterion are called? Aptitude test*
106. *Kuder Richardson method is used to estimate? Reliability*
107. *Value that divides the data into two equal parts is? Median*

108. The test measures what we intend to measure. This quality of the test is called? Validity

- 109. The length of a test is an important factor in obtaining a representative? Sample**
- 110. Median of 1, 2, 4, 5, 2, and 3 is? 2.5**
- 111. The test made to compare the performance of student with the other students is called? Norm reference**
- 112. The summative evaluation is used? At the end of the program**
- 113. The appearance of normal curve resembles with? Bell**
- 114. The alternative name of the “table of specification” is? Test Blue Print**
- 115. “Table of specification” helps in? Test development**
- 116. The supply type test item is? Completion items**
- 117. Alternative response item is? A. True /False items B. Right /wrong C. Correct / incorrect D. All of the above (Solved MCQs of Education)**
- 118. How many columns matching items have? Two**
- 119. The item in the column for which a match is sought is? Premise**

120. Identifying relationship between two things is demonstrated by?

Matching items

121. The statement of problem in MCQs is? Stem

122. The correct option in MCQ is? Answer

123. The incorrect options in MCQ are? Destructor

124. The most widely applicable test item is? MCQ items

125. The type of essay item in which contents are limited is? Restricted

Response Questions

126. The ability to select organize, integrate and evaluate ideas is

demonstrated by? Extended Response Questions

127. The Analysis of items is necessary in? Standardized Test

128. Which one is not the type of test of test by purpose? Essay Type Test

129. The type of the test by method is? Objective type test

130. Student's performance is compared with other students in? Norm

referenced test

131. Student performance is compared with clearly defined learning tasks in? Criterion referenced test

132. Test that measures learning outcome of students is? Achievement test

133. The tests designed to predict future performance is? Aptitude test

134. The founder of modern intelligent tests was? Alfred Binet

135. The formula to determine I.Q was presented by? Stern

136. I.Q of a student having same physical and mental age will be? 100

137. The I.Q of a student having twelve years mental age and ten years physical age will be? 120 (Solved MCQs of Education)

138. The quality of test that measures “what it claims to measure” is? Validity

139. The characteristic of a test to discriminate between high achievers and low achievers is? Differentiability

140. If the scoring of the test is not effected by any factor, quality of test is called? Objectivity

- 141. The quality of test to give same scores when administered at different occasions is? Reliability**
- 142. If the sample of the question in the test is sufficiently large enough, the quality of test is? Adequacy**
- 143. The quality of test showing ease of time, cost, administration and interpretation is called? Usability**
- 144. Facility index of an item determines? Ease or difficulty**
- 145. High and low achievers are sorted out by? Discrimination power**
- 146. Test item is acceptable which its facility index /difficulty level ranges from? 30-70 %**
- 147. Test item is very easy when value of facility index/ difficulty level is higher than? 30-70 %**
- 148. Test item is very difficult when value of facility index/ difficulty level is less than? 30 %**
- 149. Discrimination power of an item is acceptable when its value ranges from? 0.30 – 1**

150. Test item discriminates 100% when its value for discrimination is? 1

151. Test item cannot discriminate low achievers and high achievers when its value is lower than? 0.30

**152. Which one of the following statements is not suitable for teachers?
They are not interested in moulding themselves according to the new situation**

153. The aim of a teacher is? to develop the abilities of students

154. Why will you ask questions from students during the course of a lecture? Are the students carefully listening to your lecture?

155. A teacher with sober thoughts, in accordance with the rules? takes so many precautions so that students never make mistakes

156. If a teacher has to prove his credibility in the evaluation of answer booklets, then he should be? Impartial

- 228. The most significant approach of evaluation is? Continuous and comprehensive evaluation**
- 229. Educational technology is useful because? it makes teaching effective and efficient**
- 230. A teacher must have mastery over his subject for? Interest**
- 231. The term 'kinder garden' means? Children's playground**
- 232. The most appropriate meaning of learning is? Modification of behavior**
- 233. Teacher's knowledge on student's needs and interests are covered by the subject? Psychology of education**
- 234. Work experience in education means? Education for orientation towards vocational courses**
- 235. The proponent of the Cognitive Theory of teaching is? N. L. Gage**
- 236. Instruction medium affects the absence and escape from class teaching? Agreed**
- 237. The determinant of teaching skill training is Components**
- 238. For a good communication _____ is required. Speaking without pause**

239. Who is the founder of modern education? John Amos Comenius

240. Skimming is a type of? Reading

241. Which one is accountable in cooperative learning? (a) Individual (b) Group (c) Both a & b (d) None of a & b

242. Which is not the mode of CAI? Question mode

243. The right sequence of subgroups cognitive domain is? Knowledge, Comprehension, application, analysis, Synthesis Evaluation check

244. Which is not the characteristic of authoritative administration? Sharing

245. English language communication skills are? listening, speaking, reading, writing

246. The first objective of teaching English is to develop? listening skill

247. The numbers of kinds of sounds are? 2

248. Profession means? organized

249. The number of consonants in English is? 21

250. The conversions of spoken words into written language are? Transcription

- 251. The highest level in linguistics is? Phonetics**
- 252. Phoneme is the unit of sound? Minimum**
- 253. Which one is not the articulator? Face**
- 254. Uttering with the force of breath is? Stress**
- 255. The number of branches of phonetics is? 3**
- 256. The number of vowels in English is? 5**
- 257. Which is not the type of communication channel? thinking, acting**
- 258. Communication without words is called? Nonverbal communication**
- 259. The no. of English language communication skills are? 4**
- 260. School should be run on democratic lines is held by? Progressivism**
- 261. Formal education has well defined? Curriculum**
- 262. Which one is not the source of formal education? Home**
- 263. Which one of the following is NOT a basic component of a daily lesson plan? Evaluation**
- 264. Informal education is? Incidental**

- 265. Which of the following is the nature of curriculum? A. Conservative B. Critical C. Creative D. All of these**
- 266. The sum of curricular and co-curricular activities is? Curriculum**
- 267. When a teacher put example after that he describe the topic in the shadow of that example the teaching structure is said to “SPECIFIC TO GENERAL TEACHING methodology”? Inductive method**
- 268. Epistemology deals with? Knowledge**
- 269. A.D.P is an abbreviation of? Annual Development Programme**
- 270. The purpose of integrated curriculum is? Decrease in number of books**
- 271. To use previous learned material in new situation is? Application**
- 272. “Reforms are necessary in all walks of life” is focused in? Reconstructionism**
- 273. The other main is that education is a human activity? Assumption**
- 274. Permanent difficulties in learning are investigated in? Diagnostic Assessment**
- 275. Cooperative learning is an alternative to? competitive models**

276. Administration means? To look after

277. Cognitive domain has? Six subgroups

278. CAI stands for? Computer assisted instruction

279. Al-Ghazali's philosophy of education represents the? Islamic thinking

280. The primary responsibility for determining the aims of education should be of? Administration

281. The highest level of cognitive domain is? Evaluation

282. Factor of personality is? (a) Ductless glands (b) Family background (c) School (d) All the above

283. Positivism philosophy is based on? Experience

284. Informal education is? Lifelong

285. Which are not the types of teleconferencing? T.V teleconferencing

286. — is extrinsic motivation. A) Money B) Grades C) Fame D) All are correct

287. Benevolent fund is not given for? purchase of car/bike

288. Efficiency and discipline rules are prepared for whom? Teachers

- 289. In Laissez-faire type of administration, administrator does not perform any action and all the work is done by subordinates.**
- 290. Employees are fully free in Laissez-faire.**
- 291. Interview is the least effective method to check learning or to evaluate a shy and deaf student.**
- 292. Discussion method is heuristic method.**
- 293. Students analyze their own performance in project.**
- 294. Learning is a never ending process.**
- 295. In experiment, best method to choose sample is simple random.**
- 296. Private schools were nationalized in 1972.**
- 297. Establishment of AIOU was proposed in plan 1972.**
- 298. AIOU was established in May 1974.**
- 299. Noor Khan was minister of education in 1970.**
- 300. Technical education was first of all recommended in Educational Conference 1947.**
- 301. Fazal Ur Rehman was the first education minister in 1947.**

302. At the time of 1947 education policy, Quaid-e-Azam was president/GG.

303. Text book board was recommended in 1959 policy.

304. Free education up to 10th was firstly recommended in NEP 1972.

305. The main focus of NEP 1978 or 1979 was on elementary education.

306. Commission on National Education 1959 was formed during Ayub period.

307. At the time of 1998 education policy, Nawaz Sharif was the PM of Pakistan.

308. Minor penalty is called censure.

309. Hilda Taba is related to the field of curriculum development.

310. Arrangement of the elements of curriculum can be defined as Curriculum Design.

311. Higher Secondary Education is controlled by DPI.

312. Philosophical foundation of curriculum is concerned with Ideas.

313. Budgeting is estimates of income and expenditure.

314. Supervision of school is main responsibility of headmaster.

315. Quantitative aspect or marks is called measurement.

316. Guidance or inspection Power delegated throughout organization is decentralization.

317. Elements of fear are usually found in inspection.

318. If an employee is promoted to upper grade but his salary allowances and other facilities remain same as before then this type of promotion is called horizontal.

319. Learning difficulties are investigated in diagnostic evaluation.

320. Informal learning is lifelong.

321. Education from birth to death is informal.

322. Non planned learning is informal.

323. Non formal education has flexible rules.

324. A second chance of education by open universities is called non-formal.

325. Psychology is Study of behavior.

326. National expectations are aims. Achievement is measured by a test.

327. Your views/ideas/thinking is your attitude.

328. Sentence completion is best method to avoid guessing.

329. In teaching learning process, the task of supervision is performed by principal.

330. Perennialism is a modified form of realism.

331. UNESCO suggested 4% GNP for education in developing countries at Karachi seminar 1960.

332. Epistemology is the branch of philosophy which deals with knowledge.

401. First step in management of an organization is planning.

402. In POSDCORB “co” stands for coordination.

403. Teacher made tests are majorly used as formative assessment.

404. I.Q. of gifted child is above 140.

405. CAI stands for Computer Assisted Instruction.

406. Knowledge is taken as a whole in Gestalt psychology.

407. Change agents are teachers.

408. Macaulay minutes were approved in 1835.

- 409. Curriculum provides guidelines to students.**
- 410. Students are fully free is child centered method.**
- 411. Aligarh school was elevated to college in 1877.**
- 412. Important in teaching is teacher student relationship.**
- 413. Urdu was used as a medium of instruction in Jamia Milia Islamia.**
- 414. Systematic and efficient working of school is based on time table.**
- 415. Philosophy provides aims of education.**
- 416. Latest techniques used for instruction are through AV aids.**
- 417. List of topics is syllabus.**
- 418. Punjab text book board is responsible for printing books.**
- 419. All are elements of curriculum except design.**
- 420. All activities and experiences in school are curriculum.**
- 421. Achievement motive is intrinsic.**
- 422. Object permanence is characteristic of sensory motor stage.**
- 423. True/false test provides more guessing.**

424. Internal forces or motivation that forces a person to initiate are intrinsic motivation.

425. Being science of wisdom, philosophy aims at search for reality.

426. Staff development means training staff.

427. WWW stands for World Wide Web.

428. What, when, why and how to teach are questions of educational psychology.

429. Principal can grant casual leave.

430. Which method will you use if you want to promote students' thinking and provide them chance to initiate? Learner centered

431. Which evaluation is performed after equal intervals? Summative

432. Which is most important in curriculum development, or they are considered first in curriculum development procedure? Objectives

***433. Who performs responsibility of supervision of co-curricular activities?
Headmaster***

434. Every system of education is based on? Ideology of nation

- 435. Word philosophy is derived from? Phila and Sophia**
- 436. Expected life outcomes from education are referred as? Aims**
- 437. Being the science of wisdom philosophy aims at? Search for reality**
- 438. The first head of the Deoband was? Maulana M. Yaqub Nanautwi**
- 439. The Deoband academy was totally? Non government**
- 440. The Deoband movement used curriculum revision as? Motive**
- 441. The Ulma of Deobond played a vital role in? Struggle for independence**
- 442. The Deoband was established in? 1867**
- 443. The salient features of Deoband movement were? Revival of religious spirit**
- 444. The Deoband movement ignored? Science**
- 445. M.A.O High school was established in? 1875**
- 446. M.A.O High school was given the rank of college in? 1877**
- 447. Scientific society was established by? Sir syed Ahmad Khan**
- 448. M.A.O colleghe was elevated to Aligarh University in? 1920**
- 449. The major impact of the Aligarh movement was? Political training**

- 450. The major objective of Aligarh movement was to promote? Scientific look**
- 451. Which one was not among the purposes of Aligarh movement? To prepare Muslims against Hindus**
- 452. Jamia Millia Islamia was established on? 1920**
- 453. Jamia Millia Islamia was established by? Moulana M. Ali Johar**
- 454. In Jamia Millia, the medium of instruction was? Urdu**
- 455. In jamia millia, the translation of Holy Quran was taught as? Stage 1**
- 456. Jamia Millia could not become popular among Muslims due to its opposition to? Two nation theory**
- 457. Jamia Millia emphasized on? a) Religious education b) Science education c) Both a and b d) None of these Answer is**
- 458. Anjman Himayat e Islam was established in? Lahore**
- 459. Anjman Himayat e Islam was established on? 1884**
- 460. The founder of Anjman Hamayat e Islam was? Caliph Hamid ud Din**
- 461. Nadva tul ulema was established in? 1894**

462. Nadva Tul Ulema was established in which city? Lucknow

**463. Nadua Tul Ulema was established on the initiative of? Molana Shibli
Nomani**

**464. The first administrator of Nadva Tul Ulema was? Molana M. Ali
Mangheri**

465. Education conference 1947 was held in? Karachi

466. Education conference 1947 was presided by? Fazal ur Rehman

**467. Objective of education under education conference 1947 were? A)
Conformity with Ideology of life B) Economic development C) Character
formation D) All of above**

**468. According to the recommendations of Indian Education Commission,
govt. took the responsibility of? Primary education**

**469. Council of Technical Education was recommended to establish under?
Education conference 1947**

**470. National Education Commission 1959 was established under the
headship of? S. M. Sharif**

471. Objectives of education under National Education Commission 1959 were? A) Spritual values B) Ideology of Pakistan C) Development of individuality D) All of the above

472. Text Book Board was recommended to establish under? National Education commission 1959

473. National Education Policy 1970 was headed by? Abdul Hafeez Pirzada

474. Private educational institutions were nationalized under? National education policy 1970

475. Under National Education Policy 1972, free education was recommended up to class? 10

476. Open University was established under the policy? 1972

477. The focus of national education policy 1978 was on? A) Islamic values B) Ideology of Pakistan C) Both a and b

478. Charter Act was presented in? 1813

2According to charter Act 1813, education is the responsibility of? East India company

479. The amount set apart by East India Company for educational purpose will be RS? 100000

480. The objective of education according to charter act was? Preaching Christianity

481. The medium of instruction for promotion of scientific knowledge according to charter Act will be? English

482. The charter Act of East India Company was renewed in? 1833

483. East India Company could not implement charter Act for? 10 years

484. Lord Macaulay/Bentick Resolution was passed in? 1835

485. Which is not the characteristic of Lord Macaulay Report? Revival of eastern knowledge

486. According to Lord Macaulay one purpose of education was? To produce clerks

487. Charles wood Dispatch was presented in? 1854

488. Under wood Dispatch in 1857, three universities established were? Bombay , Calcutta , Madras

489. Punjab University was established in? 1882

490. Indian education commission was established under headship of? Sir William Hunter

491. What is Curriculum? Overall activities of an Institution

492. Important factor of curriculum is to help to achieve the? Objectivity

493. Responsible for the curriculum planning and development in Pakistani is? Curriculum wing

494. Which domain of objectives is not being evaluated through our present system of examination? Affective

495. Which of the following is the nature of curriculum? A) Conservative B) Critical C) Creative D) All of these

496. Curriculum provides guidance for? Student

497. Syllabus is a part of? Curriculum

498. Benefits of AV Aids are that they? A) Create interest B) Reduce verbalization C) Stimulate self activity D) All of above

499. Curriculum presents instructional material is stated by? Smith

500. Relationship of subjects at different level is called? Vertical organization

501. An outline of the topics of a subject to be covered in specific time is called? Syllabus

502. Curriculum organization used for different concepts at the same class is? Horizontal

503. The category of Audio Visual Aids is? A) Radio B) Television C) Tape recorder D) All of these

504. Major concern of curriculum is? Change in individuals behavior

505. The importance of curriculum in the system of education is just like a? Constitution in a country

506. Curriculum is supposed to? A) Achieve the objectives B) Be organized by the school C) Both

507. Curriculum reflects the culture of? Society

508. Learning means? Change in behavior

509. The outline of the contents is? Syllabus

510. Component of curriculum is? A) Evaluation B) Objectives C) Teaching strategies D) All

511. Models of curriculum presently being used at any stage in Pakistan is? A) Activity B) Subject C) Integrated D) All of above

512. The selection of the particular design is influenced by? Foundation

513. Intelligence level of gifted student is? 140 and above

514. The scope of curriculum includes? A) Program of studies B) Program of Activities C) Program of Guidance D) All

515. The concise Oxford Dictionary defines curriculum as a? Chariot race course

516. The model of curriculum could not move above elementary stage is? Activity curriculum

517. Detailed contents of the subjects for a class are called? Course

518. A curriculum is the sum total of a school efforts to influence a child? Behavior

519. Percentage of knowledge gained through observation is? 75%

520. The base on which the subject activities and experience are planned is called? Design

521. Keeping in view the types of students in a class are generally grouped as? A) Average B) Below average C) Above average D) All

522. Logical order of content organization is to arrange the content according to? Logical sequence

523. Summative evaluation takes place? At the end

524. Without suitable curriculum, aims of education? Cannot be achieved

525. How many basic components of curriculum have? 4

526. Curriculum development refers to the total process of curriculum? A) Designing B) Implementing C) Evaluating D) All

527. Which one is not the component of the curriculum? Design

528. Effectiveness of curriculum is determined by? Evaluation

529. The arrangement of the elements of curriculum can be defined as? Curriculum design

530. The term “core curriculum” is sometimes simply called? Core

- 531. The method used to evaluate the curriculum is? A) Formative Evaluation B) Summative Evaluation C) Diagnostic Evaluation D) A, B, C**
- 532. On way of finding out, what is going on in a class room is? Observation**
- 533. When, what, why and How, to teach is the main task of? Education psychology**
- 534. The forces that effect the development of curriculum are called? Foundation of curriculum**
- 535. Philosophy and curriculum are concerned with the question of what? Is the purpose of life**
- 536. Philosophical foundation of curriculum is concerned with? Ideas**
- 537. Student needs and interests are important in? Psychological foundation**
- 538. Sociological foundations are concerned with? Society**
- 539. Subject centered designs revolve around? Content**
- 540. Nature of elements of curriculum and pattern of their organization is? Curriculum design**
- 541. A frame work of action for preparing a curriculum is? Curriculum design**

- 542. Knowledge is compartmentalized in? Subject centered curriculum**
- 543. Prior planning is characteristic of? Subject centered curriculum**
- 544. Explanatory methods are used in? Subject centered curriculum**
- 545. Broad field curriculum is a modification of? Subject centered curriculum**
- 546. Rote learning is a demerit of? Subject centered curriculum**
- 547. Teacher training is less emphasized in? Subject centered curriculum**
- 548. Curriculum based on thinking of John Dewey is? Activity centered curriculum**
- 549. Prior planning is not possible in? Activity centered curriculum**
- 550. Curriculum emphasized for primary classes is? Integrated curriculum**
- 551. The purpose of integrated curriculum is? Decrease in number of books**
- 552. The relationship of different concepts at one level is? Horizontal organization**
- 553. Which is not concerned with teacher training? BISE**
- 554. Examinations are conducted by? BISE**
- 555. University of Education was established in? 2002**

556. Allama Iqbal Open University was established in? 1974

557. Education is derived from a latin word? Educere

558. Educere means? to draw out

559. "Education is the creation of a sound mind in a sound body" is the saying of? Aristotle

560. The best definition of education is that it is? growth resulting from experiences

561. Education according to John Dewey is? learning to do by doing

562. Which of the following is not the characteristic of education? Factual absorption

563. The basic source of educational objectives is? human experience

564. According to Crow and Crow the purpose of formal education is to? make students active and constructive members of society

565. Determining the aim of education is the responsibility of? Society

566. The real goal of education should be? acquiring skills habits and knowledge

567. Education planned with a particular end in view is? Formal education

568. Non formal education has? Flexible rules of entry and exit

569. Formal education has? Rigid rules of entry and exit

570. Informal education has? No rules of entry and exit

571. The education confined to educational institution is? Formal education

572. Education is imparted mostly by correspondence in? Non formal education

573. Education is not pre planned in? Informal education

574. Informal education is? Life long

575. What is the most important element of non formal education? Media

576. Which one is not the source of formal education? Home

577. Informal education is? Incidental

578. Formal education has well defined? Curriculum

579. Every system of education is based on? Ideology of nation

580. Word philosophy is derived from? Phila and Sophia

581. Expected life outcomes from education are referred as? Aims

582. Being the science of wisdom philosophy aims at? Search for reality

583. The first head of the Deoband was? Maulana M. Yaqub Nanautwi

584. The Deoband academy was totally? Non government

585. The Deoband movement used curriculum revision as? Motive

586. The Ulama of Deobond played a vital role in? Struggle for independence

587. The Deoband was established in? 1867

588. The salient features of Deoband movement were? Revival of religious spirit

589. The Deoband movement ignored? Science

590. M.A.O High school was established in? 1875

591. M.A.O High school was given the rank of college in? 1877

592. Scientific society was established by? Sir Syed Ahmad Khan

593. M.A.O College was elevated to Aligarh University in? 1920

594. The major impact of the Aligarh movement was? Political training

595. The major objective of Aligarh movement was to promote? Scientific look

596. Which one was not among the purposes of Aligarh movement? To prepare Muslims against

597. Jamia Millia Islamia was established on? 1920

598. Jamia Millia Islamia was established by? Moulana M. Ali johar

599. In Jamia Millia, the medium of instruction was? Urdu

600. In jamia millia , the translation of Holy Quran was taught as? Stage 1

601. Jamia Millia could not become popular among Muslims due to its opposition to? Two nation theory

602. Jamia Millia emphasized on? A) Religious education B) Science education C) Both a and b D) None of these

603. Anjman Himayat e Islam was established in? Lahore

604. Anjman Himayat e Islam was established on? 1882

605. The founder of Anjman Hamayat e Islam was? Caliph Hamid ud Din

606. Nadva tul ulema was established on? 1894

607. Nadva Tul Ulema was established in? Lucknow

- 608. Nadva Tul Ulema was established on the initiative of? Molana Shibli Nomani**
- 609. The first administrator of Nadva Tul Ulema was? Molana M. Ali Mangheri**
- 610. Education conference 1947 was held in? Karachi**
- 611. Education conference 1947 was presided by? Fazal ur Rehman**
- 612. Objective of education under education conference 1947 were? A) Conformity with Ideology of life B) Economic development C) Character formation D) All of above**
- 613. According to the recommendations of Indian Education Commission, government took the responsibility of? Primary education**
- 614. Council of Technical Education was recommended to establish under? Education conference 1947**
- 615. National Education Commission 1959 was established under the headship of? S.M Sharif**

616. Objectives of education under National Education Commission 1959 were? A) Spiritual values B) Ideology of Pakistan C) Development of individuality D) All of the above

617. Text Book Board was recommended to establish under? National Education commission 1959

618. National Education Policy 1970 was headed by? Abdul Hafeez Pirzada

619. Private educational institutions were nationalized under? National education policy 1970

620. Under National Education Policy 1972, free education was recommended up to class? 10

621. Open University was established under the policy? 1972

622. The focus of national education policy 1978 was on? A) Islamic values B) Ideology of Pakistan C) Both a and b D) None

623. Charter Act was presented in? 1813

624. According to charter Act 1813, education is the responsibility of? East India company

- 625. The amount set apart by East India Company for educational purpose will be RS? 100000**
- 626. The objective of education according to charter act was? Preaching Christianity**
- 627. The medium of instruction for promotion of scientific knowledge according to charter Act will be? English**
- 628. The charter Act of East India Company was renewed in? 1833**
- 629. East India Company could not implement charter Act for? 10 years**
- 630. Lord Macaulay/Bentick Resolution was passed in? 1835**
- 631. Which is not the characteristic of Lord Macaulay Report? Revival of eastern knowledge**
- 632. According to Lord Macaulay one purpose of education was? To produce clerks**
- 633. Indian education commission was established under headship of? Sir William Hunter**
- 634. What is Curriculum? Overall activities of an Institution**

635. Important factor of curriculum is to help to achieve the? Objectivity

636. Responsible for the curriculum planning and development in Pakistani is? Curriculum wing

637. Which domain of objectives is not being evaluated through our present system of examination? Affective

638. Which of the following is the nature of curriculum? A) Conservative B) Critical C) Creative D) All of these

639. Curriculum provides guidance for? Student

640. Syllabus is a part of? Curriculum

641. Benefits A.V. Aids are that they? A) Create interest B) Reduce verbalization C) Stimulate self activity D) All of above

642. Curriculum presents instructional material is stated by? Smith

643. Relationship of subjects at different level is called? Vertical organization

644. An outline of the topics of a subject to be covered in specific time is called? Syllabus

- 645. Curriculum organization used for different concepts at the same class is? Horizontal**
- 646. The category of Audio Visual Aids is? A) Radio B) Television C) Tape recorder D) All of these**
- 647. Major concern of curriculum is? Change in individuals behavior**
- 648. The importance of curriculum in the system of education is just like a? Constitution in a country**
- 649. Curriculum is supposed to? A) Achieve the objectives B) Be organized by the school C) Both D) None**
- 650. Curriculum reflects the culture of? Society**
- 651. Learning means? Change in behavior**
- 652. The outline of the contents is? Syllabus**
- 653. Component of curriculum is? A) Evaluation B) Objectives C) Teaching strategies D) All**
- 654. Models of curriculum presently being used at any stage in Pakistan is? A) Activity B) Subject C) Integrated D) All of above**

655. The selection of the particular design is influenced by? Foundation

656. Intelligence level of gifted student is? 140 and above

657. The scope of curriculum includes? A) Programme of studies B)

Programme of Activities C) Programme of Guidance D) All

658. The concise Oxford Dictionary defines curriculum as a? Chariot race course

659. The model of curriculum could not move above elementary stage is?

Activity curriculum

660. Detailed contents of the subjects for a class are called? Course

661. A curriculum is the sum total of a school efforts to influence a child?

Behavior

662. Percentage of knowledge gained through observation is? 75 %

663. The base on which the subject activities and experience are planned is called? Design

664. Keeping in view the types of students in a class are generally grouped as? A) Average B) Below average C) Above average D) All

665. Logical order of content organization is to arrange the content according to? Logical sequence

666. Summative evaluation takes place? At the end

667. Without suitable curriculum, aims of education? Cannot be achieved

668. How many basic components of curriculum have? 4

669. Curriculum development refers to the total process of curriculum? A) Designing B) Implementing C) Evaluating D) All

670. Which one is not the component of the curriculum? Design

671. Effectiveness of curriculum is determined by? Evaluation

672. The arrangement of the elements of curriculum can be defined as? Curriculum design

673. The term “core curriculum” is sometimes simply called? Core

674. The method used to evaluate the curriculum is? A) Formative Evaluation B) Summative Evaluation C) Diagnostic Evaluation D) A B C

675. On way of finding out, what is going on in a class room is? Observation

676. When, what, why and How, to teach is the main task of? Education psychology

677. The forces that effect the development of curriculum are called? Foundation of curriculum

678. Philosophy and curriculum are concerned with the question of what? "Is the purpose of life?"

679. Philosophical foundation of curriculum is concerned with? Ideas

680. Student needs and interests are important in? Psychological foundation

681. Sociological foundations are concerned with? Society

682. Subject centered designs revolve around? Content

683. Nature of elements of curriculum and pattern of their organization is? Curriculum design

684. A frame work of action for preparing a curriculum is? Curriculum design

685. Knowledge is compartmentalized in? Subject centered curriculum

686. Prior planning is characteristic of? Subject centered curriculum

687. Explanatory methods are used in? Subject centered curriculum

688. Broad field curriculum is a modification of? Subject centered curriculum

689. Rote learning is a demerit of? Subject centered curriculum

690. Teacher training is less emphasized in? Subject centered curriculum

691. Curriculum based on thinking of John Dewey is? Activity centered curriculum

692. Prior planning is not possible in? Activity centered curriculum

693. Curriculum emphasized for primary classes is? Integrated curriculum

694. The purpose of integrated curriculum is? Decrease in number of books

695. The relationship of different concepts at one level is? Horizontal organization

696. Which is not concerned with teacher training? DSD

697. Examinations are conducted by? BISE

698. The system of distance education is observed in? Allama Iqbal Open University

699. The major function of Punjab text Book Board? Printing books

700. Making value judgment about curriculum is? Curriculum evaluation

- 701. The most important component of lesson plan is? Objectives**
- 702. To select subject matter, one should consider student? I.Q.**
- 703. The implementer for curriculum is? Educational institution**
- 704. The source of achieving on objectives is? Action**
- 705. Epistemology is the branch of philosophy which deals with the theories of? Knowledge**
- 706. "Things as they are and as they are likely to be encountered in life rather than words" was the slogan of the? Realists**
- 707. Who advocated the creation of a classless society? Karl Marx**
- 708. The Vedas teach us that? Creation is without beginning and without an end**
- 709. According to Samkhya philosophy, the sequence of creation is as under? Purusa, Prakrati, Mahat, Ahankar**
- 710. Sociology of Education is? An analysis of Sociological processes involved in the institutions of Education**

- 711. Schools are basically social institutions as? They preserve and instil the values of our culture in future generations**
- 712. Which is not a criterion used consistently for placing people in a particular social class? Knowledge**
- 713. Beginning with family as the lowest unit which of the following constitutes correctly sequenced hierarchy of social group? Family – Class – Tribe – Race – Nation**
- 714. Use of Science and Technology in replacing existing social practices is termed as? Modernization**
- 715. The process of imbibing one's own culture in one's personality is termed as? Enculturation**
- 716. Which of the following chains represents the change processes underlying educational system of Free India? Political change – Social change – Psychological change – Educational change**
- 717. The son of a rickshaw puller struggles and becomes an engineer. This is an example of? Social mobility**

- 718. Equality of opportunities in education implies that each student? Gets facilities according to his abilities and interests**
- 719. Introspection method lacks in? (A) Reliability (B) Validity (C) Objectivity (D) All the above three**
- 720. Which of the following is not a principle of development? Principle of proceeding from specific to general response**
- 721. Development of language in children, according to B.F. Skinner, is the result of? Imitation and reinforcement**
- 722. Behaviour pattern that increases in frequency when followed by a reward is known as? Operant Conditioning**
- 723. Find out the odd one? (A) Originality (B) Punctuality (C) Flexibility (D) Fluency**
- 724. Who propounded Self Theory of Personality? Roger**
- 725. Archimedes found the solution of his problem when he was in his bath tub. This will come under which step of process of creativity? Illumination**
- 726. The pioneer of functionalism is? William James**

727. Nihar fails in the examination and attributes his failure to the framing of the faulty question paper. Which defence mechanism does he use?

Rationalisation

728. Which of the following is not a characteristic of Naturalistic Inquiry?

Generalisation

729. Which of the following variances is not controlled or manipulated in a research design? Variance of dependent variable

730. Which of the following is not a criterion for the statement of a good research problem? Possibility of use of statistical analysis

731. Which of the following variables is continuous? Attitude towards school

732. Which of the following is not correctly matched? Reasoning Test – Content validity

733. Which of the following is a measure of location? Percentile

734. An investigator wants to study the vocational aspirations of visually challenged children in a wide geographical area. He should select his sample by using? Purposive sampling

735. The distribution of a large number of means based on samples of the sample size selected from the same population is known as? Sampling distribution

736. Two variables X and Y are correlated. This means that the two variables? Vary together

737. When the questions are presented to the respondents in a face-to-face situation and the interviewer fills out the query rather than the subjects it is known as? A schedule

738. "No disinterested pursuit of knowledge and no intellectual education for its own sake" was the slogan of the? Pragmatists
